

RESOLUTION NO. 19-A

WHEREAS, The Board of Trustees of the Stratton Sanitation District, are of the opinion that because of increased costs of labor and materials and other inflationary pressures, it is necessary to discontinue the practice of furnishing the labor and materials incident to the tapping of sewer lines in the district, and upon motion duly made and seconded and passed, the following resolutions were adopted:

BE IT RESOLVED by said Board of Trustees that the above resolution supercedes the resolution dated January 5, 1978.

PASSED AND ADOPTED by the unanimous vote of said board this 4th day of October, 1979.
